

Monthly Personal Budget

Expenses

Based upon adults and children in my family living with me, my household's average monthly expenses currently are:

Item	Cost
1. Rent/mortgage (property tax)	
2. Utilities (heat, water, electricity, cable TV, Internet)	
3. Phone	
4. Food (groceries and dining out)	
5. Household and personal care supplies	
6. Childcare (daycare, babysitting)	
7. Prescriptions and medical costs	
8. Clothing	
9. Transportation (car insurance, fuel, bus pass)	
10. Miscellaneous costs	
11. Money sent back home for family support	
12. Money sent back home for debt repayment	
13. Home and life insurance	
14. Credit card payments (ONLY if you do not pay balance in full every month)	
15. Loan payments (car, furniture, student loan, etc.)	
16. Investments (RRSPs, RESPs, etc.)	
17. Other (please specify):
